# **Bouchard Finlayson South African White Wines**

## **Blanc de Mer**

This blend is both bold in colour and structure. The composition enjoys Riesling as the primary player, with Viognier secondary followed by Sauvignon Blanc, Chenin Blanc and Chardonnay. It has a deep colour with a very full palate feel. Very rich with tastes of peaches, quinces and pear which all blend to provide a strong and lengthy finish.

## **Walker Bay Sauvignon Blanc**

The geographic location of the winery, lying within five kilometres of the cool Atlantic Ocean offers the best temperature zone that the Cape can contribute to a strong vibrant aroma, tropical fruits of pineapple, lychee and passion fruit. This is followed by a firm crisp palate signalling a determined structure with parallel fruit calling one straight back to the glass!

## **Sans Barrique Chardonnay**

The rich characteristic of this wine stems from clay based soils at the vineyard location in the Elandskloof Valley of Villiersdorp. This unoaked version of chardonnay has an emphatic fruit purity, minerality and length from tantalizingly luscious acidity. Strong hints of peach and kiwi fruit with a few drops of lemon.

## **Crocodile's Lair Chardonnay**

Prepared in the classic Burgundian fashion and then matured 'sur lie' for eight months in traditional 228 litre pieces. Packed with minerality, tight fruit flavours of pear, peaches and lychees resting on over-laying hints of oak, vanilla and autolized yeasts. Strong nutty components will evolve over time to create complexity and enhanced flavours.

## **Missionvale Chardonnay**

The flagship white maintaining 30% new best French oak with a total of seven months maturation. This wine presents pages of different taste sensations. Creamy yeast, followed by mild wood tones surrounded by vanilla and aromatic layers of apricot and cantaloupe. Finally, resonating a long citrus and quince finish.
